UNIFORM GUIDELINES

OUTLINE

This document explains what uniform is acceptable, the sanctions that will be taken for incorrect uniform and the rationale behind the school uniform.

We take our responsibility of preparing our students for their later lives very seriously. It is our responsibility as a school to prepare our students for the wider world where rules and expectations are to be followed, and members of a community work within the rules for the benefit and harmony of all. As a workplace, having a uniform plays a large part in this. Most employers have a dress code and other rules regarding the appearance of their employees. We firmly believe that high standards of uniform are inextricably linked to high standards of behaviour and excellent academic standards.

Establishing and ensuring exceptional standards of uniform makes a significant contribution to the ethos of our school.

RATIONALE

Uniform can give a sense of belonging, purpose or community. Wearing a uniform instils a sense of pride and belonging in our students.

Our reputation as a school at the heart of our local community has always been of crucial importance to us. We continually strive to ensure that our standards of uniform and behaviour are exceptional. We ask that parents consult our uniform policy and exercise common sense when buying items of uniform.

We ask that parents to ensure that their child leaves home in full school uniform. Having a sensible uniform code can in some cases reduce the cost of preparing your child for school. Items of uniform invariably cost far less than items of leisurewear.

If you are considering uniform or appearance changes that may conflict with our policy, please contact a member of the school's inclusion team in the first instance. We thank parents for their support in continuing to help us maintaining the highest possible standards of uniform here at the Derby High School.

WHERE TO PURCHASE

The majority of our uniform can be purchased from high street shops, supermarkets or department stores. The blazer, tie and badge can be purchased from Monkhouse School wear or Pretty Things, both located in Bury Town Centre. We advise that all items of school uniform have your child's name.

SANCTIONS

Full school uniform must be worn to and from school. Students who arrive to school in incorrect uniform are subject to our behaviour policy.

We will always endeavor to remedy uniform infringements as soon as possible. This may mean contacting parents to request that they bring missing or incorrect items of uniform in.

Students who are unable or unwilling to change aspects of their uniform which do not comply with our policy will be detained during break and lunchtimes until such a time as the issue is remedied. In extreme cases, students will be placed out of circulation until the issue is successfully remedied.

We reserve the right to make a professional judgement of what constitutes an extreme, and what constitutes subtle and natural make-up. For us to ensure we are consistent in our application of all policies, we ask that you support us with any action we deem necessary to ensure the highest standard of uniform and its consistent application across the school.
