

Our ref HHU/DR/dg

16 July 2018

Dear Parent / Guardian

I would like to take the opportunity to introduce myself, I am Daniel Robinson the new Head of Physical Education at the Derby High School. In my short time at the Derby I have seen the passion and enthusiasm that students approach PE lessons. I am keen to build on this positive attitude to ensure that PE is a key part of school and extracurricular life here at The Derby High School. As part of this drive, and in consultation with students and staff, we have decided to introduce a new PE kit. The new PE kit will give the students a clearer identity both in school and out of school during competitions.

The new PE kit will be compulsory for our new Year 7 students from September 2018. We would like all student to take the opportunity to purchase the new PE kit and would strongly encourage parents as kit needs replacing to purchase the new PE kit items.

If you have any questions regarding this or wish to discuss PE in general please do not hesitate to contact me.

Yours faithfully

**Daniel Robinson**  
Head of PE
