

The Derby High School Science and Arts College

22nd May 2019

Dear Parent/Carer

I would like to invite you and your son/daughter to a prestigious careers event: 'Next Generation at The Derby' hosted at The Derby High School on Thursday 20th June 2019 6:00pm-8:15pm. Year 9, 10 and 11 students and parents/carers, are also invited to attend.

This is the first of two careers events for year 10, the other being the Year 10 Taster day at Bury College on 27th June which we will inform year 10 parents/carers of in the near future. For Year 9, this is a fantastic opportunity to explore all of these career opportunities regardless of what they may have initially selected for option subjects. For those in year 11 this is an excellent way to discover what options are available for future employment.

The event is a conference that explores the rapidly changing landscape of employment roles in the high growth creative media and communication sectors in Greater Manchester. There will be a particular focus on how digital communication platforms are changing both job roles and the skills that are required for this industry.

The BBC, ITV, Juice Academy, BJL and the CEO of Manchester Publicity association will all be in attendance. Careers in advertising, marketing, public relations, Film, TV and animation will all be showcased in a series of highly engaging workshops. Our local colleges will also be present at the event.

You would be required to attend the event in its **entirety** as each session will run on a carousel. The event starts at 6:10pm. Four different sessions will run simultaneously. The last session will end at 8:15pm.

I am attaching a reply slip for the event. This slip must be brought to school no later than **Friday 7th June and returned to me, Mr Langford in INSPIRE**. We need to ensure we have an accurate indication of numbers attending, as there will be a limited number of places available.

If your child has asthma or any other condition that requires medication, then please ensure they bring this medication with them.

Yours Sincerely

Mr Langford-IAG Officer

Please return to Mr Langford in Inspire
