Happy National Ballet Day! 🎭 In dance we love to incorporate core elements of ballet into our everyday dance technique. This really helps build the fundamental dance skills: balance, co-ordination, core strength and flexibility! @CcComino @RoyalBalletSch @BRB

Well done to the Y7 students involved in the football tournament at Elton last night. All players represented The Derby very well. The boys worked hard to secure a win and a draw from the 4 games they played. Well done!
