

7<sup>th</sup> June 2024

Dear Parent/Carer

### **Student Induction Day 2024**

I can confirm that this year's Induction Day will be on **Thursday 27th June**. We are really looking forward to welcoming all students who will be starting with us at The Derby High School in September 2024.

Key information about the day is as follows:

- Students should wear their current school uniform (and bring a pair of trainers in case there are some PE activities).
- Students should arrive from 8.35am and be in the main school hall for a 9am start.
- If they are arriving by car they must alight at the school gate (top of the drive) and walk down the path to the main entrance – staff and prefects will be on hand to guide and support them.
- The day will end at 2.30pm when they will walk back up to the gate – once again staff will be around to support them leaving site.
- We will provide all students with a mid-morning snack and lunch but please ensure that they bring a bottle of water with them.
- You may provide your child with a packed lunch if you prefer.

During the day they will take part in a variety of engaging activities and experience some high school lessons. They will also be shown around the school.

### **Induction Evening 2023**

The Induction evening will also be held on **Thursday 27th June** at 6.30pm – 7.30pm (Please arrive by 6:20pm for a prompt start)

This is a very important evening when parents and students will meet members of our staff team prior to being given information about our school and what to expect in September. School rules, procedures and any queries you may have can all be answered on this evening. Uniform and equipment suppliers will also be in attendance.

### **Student Enrolment – Applicaa**

We are using an online system to obtain all the necessary information required to complete your child's enrolment.

Inspired to make a difference

Prior to the induction evening you will receive a link via email inviting you to complete your child's profile on our partnered system, **Applicaa**. Please note that it is imperative that this information is submitted before Friday 5<sup>th</sup> July 2024.

During the induction evening there will be staff on hand to answer any queries you may have about the Applicaa system.

My colleagues and I are looking forward to welcoming you and your child personally to our school very soon.

*A reminder to use [Transition: Year 6 – Year 7 | \(thederbyhighschool.co.uk\)](https://www.thederbyhighschool.co.uk) for this and previous/future letters/information around transition.*

Yours sincerely,

Mr D White  
Deputy Head Teacher
