Dear Parent/Carer

Student Induction Day 2025

This letter is to confirm that this year's Induction Day for your child will be on **Thursday 26th June**. We are really looking forward to welcoming all students who will be starting with us at The Derby High School in September 2025.

Key information about the day is as follows:

- Students should wear their current school uniform (and bring a pair of trainers as there are some PE activities).
- Students should arrive from 8.35am and report to the main sports hall for a 9am start.
- If they are arriving by car they must alight at the school gate (top of the drive) and walk down the path to the main entrance – staff and prefects will be on hand to guide and support them.
- The day will end at 2.30pm when they will walk back up to the gate – once again staff will be around to support them leaving site.
- We will provide all students with a free mid-morning snack and free lunch but please ensure that they bring a bottle of water with them.
- You may provide your child with a packed lunch if you prefer.

During the day they will take part in a variety of engaging activities and experience some high school lessons. They will also be shown around the school.
